Notice Having been duly published in "Republican Progress" a weekly paper published at Bloomington Ind. I met interested parties at time and place appointed and made Survey as per plat & field notes accompanying. Organized by qualifying Herman Lutz, & Joseph Payne chairman and Moses Ryan as flagbearer. Began at N-B cor. ran S 80 ch. came out S 4 1/2 W and 55 l. W of estate cor. Computed random line and located S 1/2 m. p. ran thence W. to B found line 8 1/2 p. short ran on with same to center of sec. found entire line 18 p. 4 1/2 shot random line coming out 39 l. S. of cor. I then began at S-B corner of sec. ran W. to S-W cor found sec. 35 poles 16 1/2 l. short coming out 73 l. S. Reestablished S-W corner. Then began at "B" ran S. 1/2 m. to "B" running thence S. to sec line. I then began at center of sec S-B 1/2 of sec. ran S. to sec. line 71.5 poles.

As further evidence that sec. 35 is so very short I will add that I carefully measured the distance as given old loc. notes, from their last crossing of Bear Blossom and found the corner and measurement to be almost exactly the same. On running from S 1/2 m. p. as located by my line I passed over a 1/2 m. p. and came within one link of the center of sec. as located by old survey.

I hereby certify above record to be true.

Witness my hand and Seal

A. D. Dillman Monroe Co. Surveyor

Administrator.
